PART V – FINANCIAL INFORMATION FOR STUDENTS, SPOUSES AND DEPENDENTS

The U.S. Department of Homeland Security requires that you file a statement with the university that shows adequate financial support for your education. You must submit the Confirmation of Financial Resources (CFR) form to the TU Office of International Student Services. This form must be signed by you and your sponsor (in most cases your sponsor is a parent or family member). The form must be countersigned and sealed by the sponsor’s bank OR you may submit additional bank documentation such as a copy of your sponsor’s current account balance statement issued by the bank or a letter signed by a bank official.

There is one exception to the use of the CFR form. If you are sponsored by a government, company, or agency, such sponsors must provide an official letter with an original signature indicating financial support for university costs and personal living expenses. This letter should be submitted in place of the CFR form. If sponsorship does not cover all costs, additional evidence of personal funding for remaining expenses is required as indicated above.

Documented evidence of financial support must bear a date not older than one year prior to the desired dates of attendance. Such documentation must be received before your final admission status is determined. After you are admitted, an I-20 will be issued by the International Student Services Office so that you may apply for a study visa. Be certain to check the estimated annual expenses on the TU website. These figures are subject to change.

PART VI – VERIFICATION SIGNATURE/REQUIRED DISCLOSURE (must be completed)

The following information must be supplied by all applicants to The University of Tulsa. If you answer “yes” to any of the questions below, please use a separate sheet to explain the circumstances and outcome, including date(s) and location (school/city/state).

- 1. Have you ever been suspended or dismissed from high school? Yes No
- 2. Have you ever been suspended or dismissed from a college or university for academic reasons? Yes No
- 3. Have you ever been suspended or dismissed from a college or university for disciplinary reasons? Yes No
- 4. Have you ever been arrested for, charged with or convicted of a felony? Yes No
- 5. Federal Legislation stipulates that anyone who is required to register as a sex offender in any state or jurisdiction must notify the college he or she attends. In compliance with this legislation, are you required to register in any state as a sex offender? Yes No

An affirmative answer to any of these questions will not necessarily result in rejection of an applicant for admission. However, failure to answer any of the questions truthfully or failure to disclose information honestly if you responded affirmatively to any question will subject an accepted applicant to having the offer of admission rescinded or will subject an enrolled student to the University’s student judicial process and may result in dismissal from the University.

I certify that to the best of my knowledge that all statements submitted by me on my admission application and on this form are correct, complete, and my own. I am aware that, if I enroll at The University of Tulsa, all portions of my application (excluding the secondary school counselor evaluation) will become part of my permanent record. I understand that failure to provide accurate and complete information can result in cancellation of the application and/or revocation of admission and/or enrollment. I also understand my obligation to inform the University if information or circumstances indicated on my admission application or this form should change.

I further understand and agree that the university cannot and will not be responsible for unforeseen personal difficulties that may arise, political changes in my home country, or changes in currency valuation that may alter and affect my ability to continue as a student at the university.
